

WEAR Chapter Interest Form

The purpose of this form is to show proof of interest. Interest can be demonstrated in two ways:

1. Collecting signatures. Please print out this form and collect signatures. Rescan completed form and submit to our online application.
2. Submitting screenshots of emails confirming interest. Personal information such as email addresses can be covered to protect students' privacy. Please compile screenshots into a single pdf document, and submit to our online application.

25 signatures and/or emails are needed to complete this stage of the application process. They do not have to be all signatures or all emails, but the sum of both types of proof must be at least 25. Please note that this form is non-committal: students who demonstrate interest are not required to join the chapter, although highly encouraged to.
